Exercise 3

I enjoy my school life a lot. happier

I think I am happy than I was in the first term. I have a lot of friends in the class now. I could not easier talk to them about myself before, but now I find it easy to join in their discussion. better

My classmates are all very talented. Most of them could sing. They sing good than me. Some of them can even play different musical instruments. Last week, out class put on a musical. I think it was the best good show that evening. Our costumes were the more colourful. All we danced beautifully and the more biggest actresses danced most beautiful than the actors. We also had the big cast of all – there were 30 actors and actresses all together on stage. The big

I also learnt a lot of amazing things about animals in my Science lesson. I learnt that the ostrich egg largest is the large egg in the world. A peacock is pretty than a peahen. The bumblebee bat of Thailand is the smallest small mammal in the world! prettier
